## Joe Lamb Jr. & Associates: Moving Ahead on the Outer Banks with a New Location for 2010

*Vacation Rentals and Real Estate Sales to be headquartered in new Kitty Hawk, North Carolina offices starting December 11, 2009*

Kitty Hawk, NC – December 2009/ Joe Lamb Jr. & Associates / Press Release – [Joe Lamb Jr. & Associates](#), one of the oldest and most respected [real estate](#) and [vacation rental](#) companies on the [Outer Banks of North Carolina](#) is pleased to announce its forthcoming move to a new location. Effective December 11, 2009, Joe Lamb Realty will be providing all vacation rental and real estate sales services from its new office at milepost 2.7, 4607 N. Croatan Highway in [Kitty Hawk](#), ¾ mile south of their 25-year location on the bypass.

According to Joe Lamb, Jr., founder of Joe Lamb, Jr. & Associates, “We had simply become too crowded. Clients were struggling to find a place to park, and checking in guests during peak season had become a challenge. In our new place we have much more parking space and handicap accessibility. That will allow us to provide guest services in a more efficient manner.” Dan Hardy, President and General Manager of Joe Lamb, Jr. & Associates, notes that with the increased space, “We expect to streamline our services and increase staff productivity while continuing to offer the personal attention we are proud of giving our clients.”

Joe and his wife Ann began renting vacation cottages on the Outer Banks of North Carolina in 1968. Their first office was located at milepost 11.5 on the beach road. The following year they moved about half a mile north to a location beside what is now Tortuga’s Lie Restaurant. To keep up with the growth of the company, in 1984 Joe Lamb, Jr. & Associates moved to their present office at milepost 2 on the bypass. Again, to keep pace with the company’s success, Joe Lamb, Jr. & Associates will soon be operating from milepost 2.7 on Highway 158. Joe Lamb recalls, “We started with only 18 cottages. Today we have more than 550 vacation rentals, several commercial properties, and, of course properties for sale.”

Joe also remarked, “During the last 40 years I have seen our company, the real estate business, and this beach undergo many changes. It’s important to remember, though, the reason people vacation never changes. People come to the beach to get away from stress, to spend time with friends and family, and to enjoy the beauty and hospitality we offer here on the Outer Banks. We understand the importance of a person’s vacation and have carefully selected a wide variety of rental homes to fit many needs and budgets.”

While specializing in property management and vacation rentals, Joe Lamb, Jr. & Associates also features real estate sales. A professional team is dedicated to making the purchase or sale of Outer Banks real estate a pleasant experience. Efficient, dedicated realtors known for their attentive service are experienced and knowledgeable in residential, commercial, and investment properties. Tim Moore, Broker-in-Charge, said, “Beginning with finding

the right property, to closing day and beyond, our agents are always easily accessible to our clients, and we do everything we can to ensure smooth real estate transactions.”

Having contributed to the success of the real estate industry for such a long time, Joe Lamb, Jr. & Associates has become a cornerstone in the Outer Banks community. Joe Lamb credits their long-term success to “our friendly staff, hands-on service, and efficient management.” Dan Hardy is quick to add that the company is proud to have “built a solid reputation while maintaining a family-friendly atmosphere and offering individualized real estate services.”

The team at Joe Lamb Realty is proud to call the Outer Banks home, and the Lambs and their staff participate in and support many local charities and causes.

Still family owned and operated after more than 40 years, Joe Lamb, Jr. & Associates is one of the area’s leading companies. Their vacation rentals range from cozy cottages to large oceanfront estates and are located from [Duck](#) to [South Nags Head](#). Their full-service sales team is familiar with the ever-changing Outer Banks real estate market and is available to help with the sale or purchase of an investment property, permanent residence, or vacation home.
