Hatteras Island, North Carolina – August 2009/Midgett Realty/Press Release - [Midgett Realty](#) offering more than 560 vacation rental properties on [Hatteras Island and The Outer Banks](#) since the 1960's is currently experiencing an unprecedented rise in last minute vacationers who are taking advantage of the great values offered by Midgett Realty and the homeowners. Midgett Realty is finding that people still want their annual vacation – whether it is the traditional family vacation before the kids head back to school or even taking advantage of the lessening crowds and still great weather from late August through October – but people in today's economy are searching longer and harder to find value. This value is not only a price point but they are taking into account vacation rental property amenities including fully equipped kitchens; linen service; pet-friendly properties or even private pools and the reputation and professionalism of the rental management firm.

Midgett Realty offers all of these items and more to its clients and with the added bonus of the beaches of the Outer Banks being named to several top-ten lists of beaches for 2009 including [Away.com](#) and [DrBeach.org](#) it is no wonder people are flocking to Midgett Realty for a last minute vacation get-a-way.

About Midgett Realty

Serving Hatteras Island on the Outer Banks of North Carolina has been a Midgett family tradition for over a century. In the 1960's two brothers named Midgett started a real estate company, and today, their children, grandchildren and other staff of Midgett Realty offer over 560 vacation cottages and condos for rent.

The Midgett family has lived on the Outer Banks for at least three centuries, and today's Midgett's are descendants of the tough, independent seafaring men and women who managed to thrive and survive on these isolated barrier islands. They have been fishermen and lifesavers and surfmen, and they have been the operators of the famous Hatteras Island - Manteo Bus Line, which carried islanders and visitors up and down the beach in the days before roads and bridges.

Today they are the owners of Hatteras Island's premier, full-service real estate company. [Midgett Realty](#) is one of the island's oldest family owned businesses, and the only real estate company owned and managed by Hatteras Island natives. The Midgett Realty family stands ready to share with you all the experiences they have had in several generations of living and working on Hatteras Island.
