Outer Banks Blue Announces July 4th Early Arrivals Program

Free Program Will Allow Vacationers To Start Independence Day Early In The Outer Banks

Kitty Hawk, NC – April 2009 / Outer Banks Blue / Press Release – [Outer Banks Blue](#), a leading vacation rental and [real estate](#) firm headquartered in [Kitty Hawk, North Carolina](#) has announced the details behind their innovative '[July 4th Early Arrivals Program](#)'. This program will allow guests of Outer Banks Blue to check-in to their professionally managed vacation homes early on July 4th at no charge to the guest.

The '[July 4th Early Arrivals Program](#)' will allow guest access to their vacation home at 3 PM on July 4th which is an hour earlier than normal check-in and guest will not have to stand in line to pick up keys. Outer Banks Blue will be mailing keys and directions to all guests ahead of time in their exclusive 'check-in by mail' program. No long lines to get keys and directions on July 4th – just arrive at the house at 3 PM and then start the holiday! With fireworks celebrations scheduled for Corolla and Manteo on July 4th this program will allow guests of Outer Banks Blue the time to get the family situated and off to the events with little or no hassle.

"Our cleaning staff will be working extra hard to have all properties ready for arrival by 3 PM on July 4th instead of the customary 4 PM check-in time. We believe this will give our rental guests the opportunity to drop their bags at the house, and get their celebration started on time that night instead of worrying about going to their real estate company to stand in line and get their keys after 4 PM, and then having to find their way to their vacation home hoping to get to their home in time to see the fireworks that night," states Tim Cafferty, President of Outer Banks Blue Realty. "My twin daughters were born on July 4th so this date has always been special to me. I challenged our staff to show our guests how special they are to us by allowing them to have "extra time" at their vacation rental this year and this is how they have responded! What a great birthday present for my twins, and for all of our rental guests arriving on July the 4th! We look forward to celebrating a great holiday with our guests."

About Outer Banks Blue

[Outer Banks Blue](#) was formed by Tim Cafferty in 2005 after over 25 years in property management on the Outer Banks. With experience in both a smaller, family operated company that evolved into a leader on the Outer Banks in occupancy numbers and technology under his expertise and in the management of a nationally recognized, publicly owned corporation boasting one of the largest inventories of homes on the Outer Banks his vision of a more personalized management opportunity developed into the conception of Outer Banks Blue Real Estate Services.

Experience and reputation in the area for attention to detail and integrity along with a team of experienced and dedicated personnel has brought Outer Banks Blue into the forefront of rental companies. With an original goal of 50 homes easily surpassed in two months of operation, it became very clear it would be necessary to promote this vision with a dedication to their clients for responsible growth, and a dedication to their customers with quality homes. Therefore, the decision was made very early to be selective in the properties and areas they represent.

Today, Outer Banks Blue represents nearly 200 premier vacation rental properties in the Outer Banks of North Carolina.
